Community Access Networking (CAN) is an initiative established by Council, providing residents the opportunity to join them in a relaxed, friendly, and informal environment; and ask questions, raise issues, and share ideas.

Each CAN meeting will be hosted by Mayor James Leduc, Deputy Mayor Raj Sandu, and a different ward Councillor every month (1 through 7). Although the events have been designed to highlight one ward per meeting, all residents are welcome to attend any meeting date of their choosing.
