We know that winter brings a chill to the air, but your support of patients across Canada will warm hearts. This winter, embrace a new opportunity to give back in your community. Become a blood or plasma donor. When it's cold out, you may want to stay cozy at home, but it's critical that people across Canada continue donating blood and plasma throughout the winter months.

At this time of year, winter storms, illness and holidays often lead to an increase in cancelled appointments. Help fill every open appointment.

The need for blood and plasma is constant. Your lifesaving donation makes all the difference. Your blood or plasma donation this winter will have a major impact on patients in your community and across the country. Inspire your family and friends to donate with you this winter. For many patients, plasma is the only treatment. Medication made from plasma saves lives. Each year, it takes thousands of donors to save the lives of patients across Canada. When you donate blood or plasma to **Canada's Lifeline** today, you make all the difference to someone's future.
